

Recycle Regatta

DATA SHEET

Thank you for competing in the **Recycle Regatta**, this is your final leg of the race! All engineers must document their measurements and progress to be considered for a prize, and to reflect on how far they have come! Here you will provide speed calculations and show us your boat design. We are so excited to see how your journey went!

This form can be scanned and emailed to nquaratella@nessf.org with a picture of your boat, or it may be completed directly on our webpage: recycleregatta.info.

Engineer's Name:		Engineer's State/ Country:	
Fleet (circle one):	MINIBOAT (grades K-2) OPTI (grades 3-5) HARTLEY (grades 6-8) LASER (grades 9-12)		
A photo or video of your submission is required for entry. Please attach when emailing form.			
Boat Name:			
Brief list of your recyclable materials:			
Challenges you had to overcome to succeed:			

Data Entry (Speed = Distance/Time. See "Speed Calculations" section of Rules and Guidelines for more information!)

Trial	1	2	3	Average
Distance (cm)				
Time (s)				
Speed (cm/s)				

Submit this form by scanning and sending with a picture or video to nquaratella@nessf.org by MARCH 31. By submitting these photos/videos, you allow media to be shared on the webpages and social media accounts of collaborative organizations. Be sure to check the website for all Recycle Regatta updates and other resources, too: recycleregatta.info.
